**Subject: Help us celebrate March's 108<sup>th</sup> 'Dog Years' Anniversary!**

Dear Mr. Varnie,

Twenty years ago, a young mother of two toddlers was stressing about what was best to feed her other two children, her dogs. Daphne March has always had so much love and passion for dogs.

Daphne finally had enough with all of the harmful dog food options on the market. Daphne decided to create her own dog food brand. A dog food brand that only uses clean, natural ingredients. Organic dog food. She called it "March's".

The company will be celebrating its twenty-year anniversary with a picnic in Mingo Creek Park from 1 to 5 p.m. The public is welcome to attend and encouraged to bring their furry friends with them. Plenty of activities will be planned for those who wish to join in on the fun.

Buffet-style catering from Chick-Fil-A for all in attendance. Admission free to all. Basket raffle to win March's products and merchandise. Best dog trick contest, winners receive prizes.

I feel that you and your readers would love this event. Hope to see you there! Please come to me if you have any questions.

Sincerely,

Katie Mosqueda
