*The company's CEO announced that its first pet accessory line will be hitting stores nationwide this July.*

March's Premium Dog Food CEO, Daphne March, announced through the company's Instagram that the brand will be launching a new line of fashionable dog accessories for those trendy pups out there.

This new product line will include items such as: high quality leashes and collars in a plethora of colors and designs, doggy raincoats, on-the-go bathroom baggies with odor lock-in technology, fashionable baggie case holders, dog toys, dog beds and more.

March's is known for its wide line of affordable, organic dog food products. This will be the company's first non-food product to be offered.

"We are extremely excited to finally share what we've been working on with our customers and their four-legged friends," Daphne March said.

Also mentioned in the announcement post was a list of the places/stores where the brand's new pet accessory line will be available after its launch: Walmart, Target, Amazon, PetSmart, Petco, Pet Supplies Plus and Chewy.com.

March's Premium Dog Food is a U.S. based company that works continuously to turn fresh, sustainably farmed ingredients into organic dog food. March's mission is to make healthy, non-harmful, affordable dog food and pet products, while keeping an honest relationship with customers.
